

January 18, 2018

Dear Parents/ Guardians,

As most of you know the State of Pennsylvania made a decision to change the public school curriculum from PA state standards to Common Core standards. The most recent test scores indicate that our 6th 7th & 8th grade students have not yet adapted well to the math common core curriculum. At Discovery Charter School, there is a sincere belief that additional support helps students to be successful. Therefore, it is our desire to support all students to excellence, by providing ***free, mandatory Math tutoring on Saturdays for all 6, 7th, or 8th grade students.***

Saturday school will start at 9:00 am and end at 1:00 pm. Students do not have to wear the school uniform, but should be dressed appropriately for school. Students are encouraged to bring their own snacks and have their cellular phone away during this time. These are the dates for Saturday School: Feb. 3, Feb. 10, Feb. 24, March 3, March 10, March 17, and March 24.

If you have any questions or concerns please, contact me Dr. Khailiah Canada kcanada@dcsschool.com.

Parents/Guardians please sign below and return by Wednesday January 31, 2018

Saturday School- Middle School Math Tutoring 2017-2018
